Customize with Your Own Logo!

We'll print your company logo on your personalized cards or calendars. Send us your original black-and-white logo artwork. There may be an additional charge if your logo requires retouching to make it acceptable for printing, in which case you'll be advised of the costs and processing time before we begin. Please add up to seven days processing for custom logo orders, plus shipping time.

We reserve the right to decline any logo we feel will not reproduce (i.e., sketches, clippings, screen tints, thin line art, photocopies or raised printing).

Sorry, we cannot guarantee that logo orders taken after 11/29/06 will reach you in time for Holiday mailing.

Logos and Signature Imprinting are not available on cards with front cover die-cut windows.

Signature Imprinting

Have your signature(s) printed and eliminate signing your cards for a minimal charge of \$38.00. Write your signature(s) on white paper using a black felt tip pen so signatures do not overlap, and send in with your order. Layout and size will be adjusted as necessary.

Peel 'n' Seal Envelopes:

Simplify sending your cards with our easy to use peel 'n' seal envelopes (available with gold or silver foil lining) — just remove the protective strip and press the self-adhesive edge. Add an extra \$0.20 each.
